

WORKSTATIONS | PARALEGAL

Woodtech offers a variety of workstation configurations to accommodate administrative, paralegal and reception functions. Flexibility of footprint, heights combined with an endless selection of veneers, hardwood, stone, glass and metal provide great design opportunities.

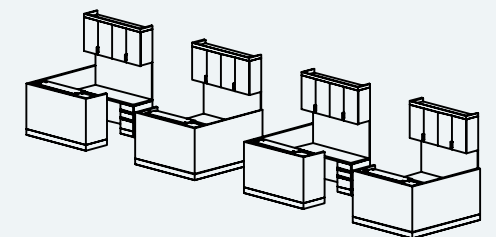

Workstations featured above combine quarter figured anigre, contrasting finishes, custom brushed aluminum transaction supports and stone tops.

WORKSTATIONS – LAW FIRM PARALEGAL STATIONS

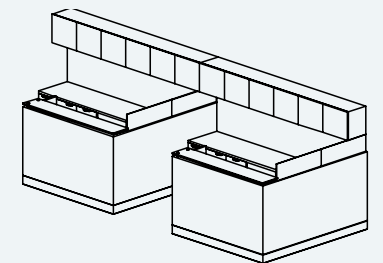

Continuous paralegal workstations feature quartered maple veneer, horizontal grain, floating glass with wall hung cabinets.

ADMINISTRATIVE WORKSTATIONS

Clean line, square edge workstations, plain slice cherry veneer feature frosted glass transactions and dividing panels. Voice, power and data available from the floor or distributed from station to station via PVC raceway.
